

Do you like this course ???

If your answer to the above question is "Yes", please consider joining the Duneland Disc Golf Club (DDGC) to help us maintain this championship caliber layout.

Since the Rogers-Lakewood disc golf course is in a city park, many people assume it's a taxpayer-supported facility. In truth, while the city of Valparaiso provides invaluable assistance by allowing us to use public land, the course is almost entirely financed, created, and maintained by the volunteer efforts of Duneland Disc Golf Club members.

In addition to supporting this amazing course, Membership in the DDGC does have its benefits:

- Disc with a club stamp
- Pro Shop Discounts on Discs & Other Purchases
- 100% Ace Fund Payout during League Play
- A voice/vote in matters involving the DDGC & the course
- You also have the option to purchase a Season Gate Pass at a Reduced Rate

2019 DDGC Memberships are now available for \$25 or for \$50 with the Rogers – Lakewood Season Gate Pass. For the 2019 season, you can also purchase a bag tag for \$5.

Short and Longer-term Hole sponsorships are also available.
