

Getting Started with

Busy Bees

- Students enter through upper door (doors open 5 min before class & when class is over)
- If you arrive late please ring the doorbell to be let in.
- If your child does not feel well, please keep them at home until they feel better.
- Busy Bees is a month-by-month class so sign up as early as possible to secure a spot.
- Please send a spare set of clothes and changing supplies in a bag.
- Inclement weather: If Valpo schools delay or close for weather, we also close. It will be posted on ValpoParks.org, and sent to the primary email address on file.
