

Getting Started with

Caterpillars

- **Students enter through upper door (doors open 5 min before class & when class is over)**
- **If you arrive late please ring the doorbell to be let in.**
- **If your child does not feel well, please keep them at home until they feel better.**
- **Caterpillars is a month-by-month class so sign up as early as possible to secure a spot.**
- **Please send a spare set of clothes and changing supplies in a bag.**
- **Inclement weather: If Valpo schools close for weather, we also close. It will be posted on ValpoParks.org, and an email will be sent to the primary email address on file.**
