

Getting Started with

Kindergarten Ready

- Students enter through upper door (doors open 5 min before class & when class is over)
- If you arrive late please ring the doorbell to be let in.
- Tuition will be auto-billed each month on the 15th (unless fully paid).
- Please send a water bottle and a spare set of clothes in a backpack just in case.
- If your child does not feel well, please keep them at home until they feel better.
- Students must be potty trained and able to use bathroom on own.
- Students may bring a snack to class or have one of ours.
- Inclement weather: If Valpo schools delay or close for weather, we also close. It will be posted on ValpoParks.org, and an email will be sent to the primary email address on file.
